Dear Mr Miura,

I am writing this letter to show my keen interest in Glams co. I will be quitting my current position at Alpaca.ai in less than 2 months, and I've found your job offer on Osakan Space. Along with my Master's Degree in Computer Science from SUPINFO and 8 years' experience in the field of IT, I am confident in my ability to improve Zenfotomatic and become an essential member of the Glams team.

From my experience in startups such as Aquasys and Alpaca.ai, I've had opportunities to work at every steps of a software development process, from System administration to Front-end development, Management and Mentoring. I have a great disposition for learning, and am always working on improving my productivity and efficiency to allow me handling a number of activities I'm passionate about.

It would be a great pleasure to meet with you in an interview to discuss my qualifications and experience in detail. Thank you for your time and consideration, I look forward to speaking with you further.

Sincerely yours,

Adrien Lemaire
